

Dear Sirs,

Thank you for your cooperation.

We inform you that TMC will apply the new version of CATIA V5.

This is the prior announcement.

The formal announcement will be released in the beginning of May.

* TMC schedule:

Application date: **June 11(Mon), 2007**

Application version: [Current]R16SP2 -> [New]R17SP3

* Supplementation:

- After the version UP has done, new version data will be transferred.
Please pay regard that the old version CATIA cannot open
the new version data.

----- !! Request to TOYOTA affiliates outside Japan !! -----

Please make the prior announcement of this upgrading-plan to your suppliers
where CAD data will be transferred.

If the schedule is changed, we will report to you quickly.

Thanks,

Best Regards,
